

Christmas Message from the Directors

It's time to celebrate Christmas once again. Merry Christmas to you and your family. May you enjoy the joy, love and peace of Christmas as we remember the 'reason for the season' - *Joy to the world the Lord has come, Let earth receive her King. Let every heart prepare him room and heaven and nature sing!* Enjoy a special Christmas. Greetings from Marlene & Randolph Riecker.

Summer Party was a splash

We just want to say a huge thank you to all who attended our summer party in Southwater Country Park, staff members and clients included! It was filled with food, fun and lots of competitiveness on the water. For our staff it's a great time in the year where we can all socialise and take a couple of hours out of our day to eat, drink, paddle and be merry!

Management Team in County Times!

If you weren't already aware, Ascot Care were recently featured in the County Times for an editorial on Care Careers in the community and celebrating 10 Years! Marlene said "Ongoing training and all Apprenticeships are vital. We are always looking to progress and improve our training systems. Our outstanding management team also provide mentoring for our staff."

Why Choose Live-in Care?

We believe that Live-in Care is a fantastic level of care for people who need a 24 hour care solution. Obviously, not everyone will need 24 hour care in their lifetimes, however for those that do, we know that we provide a very affordable, specialised service. Ascot Care have always been advocates for promoting people to stay in their own home for as long as possible.

Join the growing team!

Ascot Care are always looking to grow and as you know, we would like your help to find more amazing staff members. If you are a staff member, please remember that we have a 'refer-a-friend' scheme which many of you have benefitted from. We believe that the best way to recruit is through word of mouth, so if you know of anyone suitable, please let us know!

Celebrating Ten Years of Care

Ascot Care is celebrating its tenth year of operating in the Horsham District. It was originally started in 2008 and moved to its current offices at Kings Court in Harwood Road in 2013 by Marlene Riecker who has a strong nursing background, and with her husband Randolph. Ascot Care has grown consistently and steadily over the last ten years.
