

A recent testimonial!

“For 9 years Ascot Care have provided numerous services for my father, beginning with a 'walking companion' during the early stages of his Alzheimer's and ending with Live-in care. The relationship between Ascot Care and our family evolved with the years. Their professionalism was exemplary, and I would not hesitate to recommend Ascot Care.” – MA – April 2019.

Ascot Care are becoming more social

We have recently created a new Instagram page, so if you are on Instagram, why don't you hit the follow button and see what we are up to. You can follow us using the following link: https://www.instagram.com/ascot_care/ . Our username is @ascot_care and we would love to keep you up to date with any upcoming changes and exciting events!

Advertising with Horsham Rugby Club

Ascot Care support several charities, sports clubs, and organisations aimed at the helping community and for young people! We have recently just agreed to do some sponsorship of Horsham Rugby club to support the club and increase brand awareness for Ascot Care in the local community. This is what the board looks like, so keep your eyes peeled.

Why Choose Live-in Care?

We believe that Live-in Care is a fantastic level of care for people who need a 24-hour care solution. Obviously, not everyone will need 24-hour care in their lifetimes, however for those that do, we know that we provide a very affordable, specialised service. Ascot Care have always been advocates for promoting people to stay in their own home for as long as possible.

Ascot Care Careers

Ascot Care are always looking to grow and as you know, we would like your help to find more amazing staff members. If you are a staff member, please remember that we have a 'refer-a-friend' scheme which many of you have benefitted from. We believe that the best way to recruit is through word of mouth, so if you know of anyone suitable, please let us know!

Recent filming for Ascot Care

We recently undertook some filming, with several clients and staff members being filmed in their own homes to show the Live-in Care we provide. 'Provision Films' were commissioned to help us with a video to promote Ascot Care and the many lives we touch in the local community. We think they've done a fantastic job and will post the video on our website. Thank you for everyone who was involved in the video!
